

Application No.: 08/067,140  
Receipt Date: May 25, 1993

Please note that no new matter has been entered. FIGs. 6-6B have clearly been referred to on Page 26 Line 9 through Page 28 Line 26, of the specification. Nowhere in the specification has Applicant referred to FIGs. 6C-6G. This is a consequence of the fact that the reference to FIGs. 6C-6G in the Brief Description of the Drawings is due to a typographical error.

Accordingly, approval of this change is respectfully requested.

If the Examiner has any questions regarding this Preliminary Amendment or this Application, he is invited to telephone the undersigning attorney.

Respectfully submitted,

Koichiro Hori
